

**In the Specification:**

*Please amend the specification at page one (1) very first line above the title by including the following:*

**TITLE OF THE INVENTION**

*Please amend the specification at page one (1) following the first full paragraph that states CROSS-REFERENCES TO RELATED APPLICATIONS (filed in the preliminary amendment) with the following:*

**FIELD OF THE INVENTION**

*Please amend the specification at page one (1) following the now second full paragraph with the following:*

**BACKGROUND OF THE INVENTION**

*Please amend the specification at page one (1) prior to the start of the last paragraph that continues onto page two (2) with the following:*

**BRIEF SUMMARY OF THE INVENTION**

*Please amend the specification at page two (2) above the fourth full paragraph with the following:*

**BRIEF DESCRIPTION OF THE SEVERAL VIEWS OF THE DRAWINGS**

*Please amend the specification at page three (3) above the fourth full paragraph with the following:*

**DETAILED DESCRIPTION OF THE INVENTION**

*Please amend the specification at page seven (7), second full paragraph with the following:*

When using the material of the invention as a covering for a dressing, for example, as shown in FIG. 5 which is in the form of a bootee 30 with a Lycra.RTM. collar 32, adjustable Velcro.RTM. closers 33 for closing an opening or slice 35 and externally seamed 34, a finer material such as P50 is preferred. Other forms (not shown) of covering for dressings are provided but which are also shaped to other particular parts of the body. The bootee can have its toe cut off to allow ventilation.
